# INTRODUCTION

Nestled in the heart of Doha's finest luxury destination, the St Regis Marsa Arabia, Chotto Matte brings its signature Nikkei experience to The Pearl. Our array of versatile event spaces are available to hire seven days a week, and are guaranteed to make a lasting impression.

The spectacular scale of our Doha restaurant sees seven metre ceiling heights and a sea of columns to evoke the feel of the Peruvian forest. Discover abstract vines and plants throughout the space that soften and add warmth, setting the perfect scene for your event.

Whether you're hosting a corporate lunch, an intimate product launch, or a birthday party, our dedicated events team will tailor to your requirements, creating a truly memorable occasion.

Chotto Matte's chic contemporary interior is inspired by its Japanese & Peruvian roots and makes for a unique, urban backdrop for your event. Designed by Andy Martin, key highlights include Chotto's recognisable graffiti reworked into the ceiling, theatrical open Sushi Counter, and Robata Grill.

We are pioneers within Nikkei cuisine - a lively blend of Japanese and Peruvian flavours and techniques. The two cultures share a deep appreciation for fresh fish and seasonal ingredients, with Japanese sushi and sashimi, and Peruvian ceviche central to their gastronomy.

# NIKKEI CUISINE

Our expertly curated set menus created by our Executive Chef, Jordan Sclare, are designed for sharing and can be adapted to meet the requirements of your unique group and occasion.

Enjoy a culinary journey with dishes that add a contemporary twist to much-loved Chotto staples. Canapés are also available, carefully selected from each of our four key kitchen sections.
